MEMORANDUM FOR: Director of Central Intelligence

FROM: Harry E. Fitzwater
Deputy Director for Administration

1. This afternoon I received a call from Henry Dudley informing me that he had talked with Senator Chafee about the FOIA Bill and Senator Baker's Administrative Officer concerning the identities legislation. He had asked that each of these Bills receive early consideration by Congress and is optimistic that this will occur.

2. Henry asked that I let you know that Peter Krog, Dean of the School of Foreign Service, Georgetown University, would be on a television program with Dean Rusk this evening. The program will be on the Public Broadcasting System channel at 11:00 p.m. This is Peter's third program in which he speaks on subjects concerning American interests abroad. Henry believes that Peter would be willing to dedicate one of his programs to enhancing the Agency's image, for example, countering last Sunday's "60 Minutes" program. He suggested that if you were not acquainted with Peter Krog, Henry would like to introduce him to you. Henry is very disturbed by the Agency's bad press and wants to help counter it. I agreed to pass this information to you.
